EASTERN DISTRICT OF NEW YORK

-----x
UNITED STATES OF AMERICA,

Plaintiff,

-against-

SALVATORE LAURIA,

Defendant.

-----x
GLASSER, United States District Judge:

By letter dated April 7, 2004, the defendant applied for an Order that would modify the terms of probation upon which he was placed for a period of five years on February 5, 2004. Among the other conditions of probation the defendant was directed to observe, were 300 hours of community service and 12 months of home confinement. He is in the process of satisfying his obligation of community service. The basis for making this application is desirable employment which he has obtained which requires travel from time to time throughout the United States, and the modification he requests, if granted, would permit him to maintain his employment.

The government, by letter dated April 9, 2004, has expressed no objection to a modification of the conditions of his home detention to permit him to travel when necessary to perform the obligations of his job.

The conditions of probation are hereby modified accordingly, and in all other respects remain in full force and effect. Prior to travel away from home, the defendant is
